

CAMOUFLAGE METHODS OF SILENCE

30th ANNIVERSARY LIMITED EDITION
2-CD / 3-LP / 1.11.2019

Founded in the southern German city of Bietigheim-Bissingen by Heiko Maile, Oliver Kreyssig and Marcus Meyn in the year 1984, the band Camouflage scored an unexpected international hit with their debut album *Voices & Images* in 1988. One of the tracks in particular, *The Great Commandment*, went on to become a perennial classic of the synth pop genre.

Their sophomore album *Methods Of Silence*, released just a year later, was an even bigger success. The band produced the record in Brussels, working on the songs with Dan Lacksman (Telex). *Love Is A Shield*, the first single cut, has endured as a worldwide dancefloor anthem and is even a popular choice at weddings in South America.

To mark the 30th anniversary of the album, the band opened up the archives to assemble a special bonus edition including a wealth of rare and unreleased recordings, limited to 500 triple LP sets and 1,500 double CDs.
